## IX. NEW BUSINESS

- A. State of the Students: Nikolaus Diehr

Thank you all who came. We have 30 active senators, 80 active reps, and 50 active clubs. Thank you to Jameson for his work with ICC. Quadchella had a variety of music and a great event at the beginning of the Fall semester. We should have more events that promote student activity on campus. Naomi took surveys of students on campus so that we can better serve our students. Homecoming did a terrific job. Thank you to Leyah and Activities for all they have done this year. Niko wants to describe himself so that we get to know him better. He wants to become a professional Ice Hockey Ref. Here at Fullerton College, your dreams are supposed to become a reality and he wants to make sure that the students of AS are able to have that happen. Associated Students is here to support you and we hold an enormous responsibility within the college. The Associated Students are in full support with our Administration in investigating the incident that occurred on October 13th. Student safety is Campus Safety's first priority and we support them and their efforts. Dr. Schulz has done a tremendous job of pushing this investigation forward and being transparent. Anyone with questions for AS should address the body as a group. Keep up the good work.

- B. FC Mission Statement Update

We have a work group that was formed under PAC. Talk to Niko or Taylor if interested. At the end of the semester, we will have a working Mission Statement.

- C. A.S. Group Photo

Senate photo will be taken on a Tuesday after the Senate meeting within 1 or 2 weeks.

We will be wearing AS shirts in the picture. The location is still being decided.

- D. Student Rep Fee (\$2) Opt-in

Taylor wants the fee to be passed so that when students register for classes, they can Opt-in for the Student Rep Fee. \$1 will go to AS and \$1 will go to SSCCC. The money gained can be used for travel to conferences.

- E. Institutional Integrity Committee

Niko explained that this committee was formed from Faculty Senate and relates to accreditation. They are going to review procedures on campus to check for their effectiveness and inclusivity. We have 3 reps for this committee. Hohbein, Diehr, Garcia, Torres, Boules, and Escobedo are interested.

Joe suggests waiting until next week to decide who Senate wants to choose as reps.

***MSP to approve postponing until 10.25.2016 meeting to decide reps for Institutional Integrity Committee (Garcia/Torres)***

- F. Library Hours Resolution

***MSP to approve moving Library Hours Resolution to Research, Planning, & Resolutions Committee (Gatje, Garcia)***

- G. Campus Safety Investigation (10.13.16)

Jameson thinks that we should have a say in the changes that come after the investigation. He suggests referring this to RPR. We won't actually be taking any action on this, we are just representing the student voice on this matter.

***MSP to approve to refer Campus Safety Investigation to Research, Planning, & Resolutions committee (Serrano/Villarreal)***

*Lisa says that any information that you feel compelled to share should be given to the President's Office.*

## X. CAMPUS, DISTRICT, & STATE (CDS) COMMITTEE APPOINTMENTS (see attachment)

*Senators MUST serve on at least ONE CDS committee. Failure to do so will result in dismissal.*

Gatje and Diehr want us to know that CDS committees are important to join but we really need representation on the Standing Committees. Committees that need reps: Council on Budget and Facilities, District Citizens Oversight, Technology Committee, and Technology Coordinating Council Committee.

Arbab - Technology Committee  
Diehr - District Agenda Committee  
Truong - Alt for Study Abroad Committee

Ask Jodi Balma if she would like an additional Rep on the Honors Advisory Committee

*MSP to approved Arbab as the Rep for the Technology Committee, Diehr as the Rep for the District Agenda Committee, and Truong as Alt for the Study Abroad Committee (Gatpandan/Torres)*

**XI. FUTURE AGENDA ITEMS:**

Naomi - New Campus ID Updates and Students of Distinction Criteria  
Gaetje - Senator of the Month Nominations for October

*MSP to approve extending meeting time by 5 Minutes (Gaetje/ Garcia)*

**XII. COMMENTS FROM THE ADVISOR & DIRECTOR:**

Joe wants to make sure that we know that we don't have to approve all motions together or all parts of a motion together. The motion can be divided and discussed separately.

Naomi wants to mention that Marwin is on leave and will return. Stephanie and Naomi are the only surviving members. If you see a student that requires help, please help them.

**XIII. ADJOURNMENT: 3:05 PM**
