VI. PRESENTATIONS *Individuals and organizations may address the Student Senate for 10 minutes each*

- A. **Campus Safety** Steve Selby Today ~1:45 pm

Broader issue of safety on campus. There are two large display boards. Who reads them? There were outside vendors who "coerced" students into registering to vote. Identity is stolen and students are reporting stalker behavior from 'get out and vote' people. This is a personal safety issue. Campus Safety is asking A.S. to raise awareness about this predatory behavior from outside vendors using the Free Speech Area. Mr. Selby is asking for suggestions and recommendations. People are rallying against the enemy. Do not accidentally become Republican. Cisco telephone system reserved for emergencies only. Campus Communications can potentially mass email students (President's Weekly, social media, etc.), except Fletcher. He's last. We were thanked.

- B. **Wellness Initiative** Dr. Vanessa Miller Today ~1:55 pm

100% of students are required to pay the health fee. 100% investment in Health Services. Let's try to reach 25,000 students. Two components: care for sick students and collaborate with other departments to promote wellness and prevention. "No concrete ideas" but Health Services will support what AS recommends. (e.g. yoga mats, nap pods, therapy animals, etc.) Secret garden idea -- like Quincy Jones -- even though "ya'll don't remember"; a place where students can relax. There are wellness class instructors willing to help. Purchases must be done ASAP. Refreshments will be provided. HS is also

working with other departments to create a comprehensive wellness program. Exact dates/times TBD.

C. Transfer Center **Brandi Avila** **Today ~2:10 pm**
CSU Spring 2017 transfer deadline is tomorrow. What is transfer? Either from HS or transfer from college. “Two-year college” is a misnomer. Most students pace differently. Most universities are now “impacted”. They are receiving more qualified students than they can receive. Transfer Center provides several services for students, including one-on-ones with counselors and meeting university reps. Application workshops and personal statement / UC personal insight assistance (no more personal statements for UCs). There are extended hours throughout the semester. Upcoming events: College Fairs (October 19, 2016) and UC Admissions Panel (FC alumni who transferred) Q&A.
