Spring 2022 Election Update from Student Life & Leadership

Due to Fullerton College campus not being fully open due to the COVID-19 pandemic, some of the elements of the Election Code cannot and do not apply for this election cycle. This page is designed to highlight the most essential information you need in order to follow the elements of the Election Code that are still in place.

- There will be no in-person candidates' orientations this semester. Instead, you need to review the PowerPoint entitled "AS Election Orientation Spring 2022" and review this election packet and/or attend one of the orientations on Zoom
- After you finish reviewing the orientation PowerPoint and this packet, be sure to submit your completed application and the Image Release Form to AS@fullcoll.edu by noon on Tuesday, March 29, to ensure that your name is included on the ballot.
- Student Life & Leadership staff will review all applications submitted by the deadline to ensure that each candidate meets the eligibility requirements.
- If you want your photo and/or campaign video to be posted on the A.S. election website, you must complete and submit the Image Release Form included in this packet. Student Life & Leadership staff are unable to take pictures this semester, so you will need to supply your own if you wish to have it posted on the website.
- You should conduct your campaign in an ethical manner with mutual respect shown toward other candidates.
- You may still publicize your campaign through social media or texting; you will need to submit a copy of what you plan to post or distribute to AS@fullcoll.edu before you post or distribute it. You will not be able to post any publicity for your campaign on the campus.
- You may also wish to take advantage of the opportunity to post your photo, candidate statement (no more than 250 words), and video (no more than three minutes long) on the election webpage (as.fullcoll.edu/elections). Please submit a photo, candidate statement, and/or video by noon on Monday, April 4.
- The Election Committee will meet only as needed (to address any Election Code violations and/or appeals) and will do so electronically.
- Ballots will be counted electronically. Results will be announced after any violations and/or appeals have been addressed.

ELIGIBILITY REQUIREMENTS FOR STUDENT LEADERS

Student leadership is recognized as an important facet of decision-making at Fullerton College, whether it be for planning Associated Students projects or participation with administrators and faculty in overall college development. It is important to the student body, the college, and the individual student that student leaders do satisfactory work in their courses of study and are able to carry sufficient units to be true representatives of their constituents. Consequently, the following minimum eligibility requirements have been adopted. There are three items that will be considered to establish and maintain one's eligibility:

- Previous school(s) record(s)
- The semester during one's candidacy
- If elected, the semester(s) they hold office

PREVIOUS SCHOOL RECORD ELIGIBILITY REQUIREMENTS

- A Returning and transfer students shall have completed five (5) or more units with a 2.0 or better GPA in the last previous semester in which the student was enrolled for five (5) or more units. "Last previous semester," in this case, is only applicable to a period that goes back no more than three (3) years.
- B A student whose "last previous semester" as a full-time student is more than three (3) years ago would, for eligibility purposes, be treated as a "new student" and would also have to have at least a 2.0 GPA overall for all previous college coursework.
- C Returning and transfer students shall be enrolled in and complete five (5) or more units with a 2.0 GPA during the previous semester in which they are candidates for office.
- D Candidates for President of the Student Senate shall have been an Executive, Senator, or Student Representative of Associated Students during the current academic year in which they are candidates.
- E **Freshmen:** students who have not previously enrolled for and completed five (5) or more units) of college work must have been achieved at least a 2.0 GPA in the senior year of high school and at least a 2.0 GPA for any college work completed.
- F All Executive Officer Candidates shall not be on disciplinary probation or suspension during the previous semester in which they are candidates.

THE SEMESTER OF CANDIDACY

- A. Candidates shall be enrolled in and complete five (5) units with at least a 2.0 GPA during the semester in which they are candidates.
- B. Candidates shall not be or have been on disciplinary probation or suspension during the semester in which they are candidates.
- C. Candidates for President of the Student Senate shall have been an Executive, Senator, or Student Representative of Associated Students during the current academic year in which they are candidates.

THE SEMESTER WHILE IN OFFICE

- A. All Executive Officers and Senators shall maintain enrollment in five (5) or more units with a 2.0 GPA or better throughout semester in which they hold office. Failure to do so shall result in disqualification from office, with the position being filled according to procedures set forth in the A.S. Constitution or Bylaws.
- B. All Executive Officers, during the time for which they are elected, shall not hold an office or leadership position in any campus club or subsidiary organization.
- C. All Executive Officers shall not be or have been on disciplinary probation or suspension during the semester in which they are in office.

MISCELLANEOUS AND SPECIAL CONSIDERATIONS:

- A. A student elected or appointed to office in the *spring* semester must complete that semester with at least five (5) units and at least a 2.0 GPA. Failure to do so will result in that person being ineligible to assume or hold office the next fall semester unless the deficiency is made up through Summer Session enrollment.
- B. In case the elected students in the *fall* semester should subsequently fail to complete the semester with the required units and/or GPA for that respective office, then that person shall be ineligible to assume office the next spring semester.
- C. Students may serve as a member of Associated Students for up to eight (8) semesters in total. This includes Student Representatives, Student Senators, and executive officers.
- D. Questions regarding the "Eligibility Requirements for Student Officers" shall be referred to the Director of Student Life & Leadership for interpretation or disposition.
